About Us

Don't we all highly value Pulses? Undeniably Yes, not only due to the taste it provides to the meals but also the treasure of nutrients which one avails by consuming it. Murlidhar Sons is one of those companies which makes available variety of Dal (Pulses), which the customers love and consume throughout the world. Since the date pulses are found, they have been a necessity to everyone's diet and is praised for giving several health benefits. We being an Exporter and Trader strive towards fulfilling the demands of pulses by catering to the domestic and overseas customers.

Gram Dal, Chana Dal, Lobiya, Moong Dal and Masoor Dal are some of the pulses which we procure and further serve the customers of our company throughout the world. Assurance of quality is one of the most significant elements on the basis of which our pulses are widely loved and trusted to be consumed. We make sure that our range is procured from companies which are highly recognized for their quality and produce and process pulses in a sincere manner. Not only we obtain from the best vendors of this industry, but also to reassure quality we check the pulses and refine for any foreign particles.
